

Tyson Whiting

Sports Broadcaster

EXPERIENCE

Utah Grizzlies Hockey, West Valley City, Utah — *Play by Play, Director of Broadcasting and Media Relations.*

August 2018 - PRESENT

Play by Play announcer for all 72 regular season and postseason games. Also handles all media relations, interview requests and public relations. I wrote all the press releases and produced game notes for every home game.

Idaho Falls Chukars Baseball— *Broadcaster*

June 2018 - September 2018

Broadcaster for the Idaho Falls Chukars baseball club in the 2018 season. The Chukars were affiliated with the Kansas City Royals. I broadcasted all 76 regular season games. I also did PR for the club, lining up player appearances around town. Writing all press releases and postgame stories at ifchukars.com. I also wrote all the game notes for the club.

ESPN 960— *Producer, Host*

May 2017 - May 2018

I was the jack of all trades guy for 960. Whatever was needed, I did. I hosted shows, created topics and ideas. Chimed in on air for certain segments. I covered BYU football and basketball practices.

1320 KFAN (Cumulus Media), Salt Lake City — *Host, Producer and Reporter.*

January 2003 - February 2007

Producer of Afternoon Drives for 3 years from March 3rd, 2004 till the station folded on February 27, 2007. Ran the board during shows. Kept everything sounding smooth on the air. I also produced many Utah Grizzlies hockey games and Westwood One NFL games during the 2006 season.

Host of the “Tyson Show” every Saturday morning from 10 am to noon from January 2005 and hosted the final local show in the stations history on February 25th, 2007. Hosted and produced the show simultaneously. The design of the show was to combine conversational topics with some fun, lighthearted benchmarks. The show hit many topics and was easy to listen to. The show was the number 1 downloaded show on 1320kfan.com for 25 straight weeks.

At KFAN I covered many Utah Jazz games, BYU and Utah football practices. I also covered the Salt Lake Bees and hosted a Bees related podcast titled “Bees Talk.”

Skills and Strengths

Versatility. I have been a successful radio host for 2-plus years. I have called games as well as hosting the pregame, intermission and postgame shows for a professional hockey club. I have produced a successful afternoon drive show. You name it, I have done it during my radio career.

An uncommon, comprehensive knowledge of sports and sports history. I can pull something from 30 years ago and talk about it like it happened yesterday. I follow all kinds of sports, from college and pro football, basketball, baseball, hockey, golf, etc.

I have good radio mechanics and am good at keeping the show on the clock and going to breaks on time. I am always well prepared for every show that I do. You will never see me winging it or simply showing up and going through the motions. I am good at creating interesting and creative topics that listeners are interested in hearing.

Education

Graduated from Kearns High School in 2006.

Attended Salt Lake Community College from Fall 2006 - Summer 2007, Summer 2011–Summer 2013. Majored in Communications, radio productions.
